RE: DBE RECERTIFICATION

Dear Ms. Stump:

The Office of Equal Opportunity Development and Compliance has completed its review of your recertification application for status as a Disadvantaged Business Enterprise (DBE). The supporting documentation has led us to conclude that your firm continues to meet the criteria as established in accordance with 49 CFR Part 26. Your firm will be listed in the Department's Registry of certified firms under the following:

010L - Transportation Planning

010M - Traffic Engineering

Certification status is reviewed yearly. **From time to time, the Department may examine facts concerning your continuing eligibility.** As a condition of your certification, you have consented to examination of your books and records and interviews with your principals and employees for the purpose of such examination and to the revocation of your certification if such examinations or interviews are denied.

If you have any questions regarding your DBE certification, please contact me at (518) 457-1129 or jejones@dot.state.ny.us.

Sincerely,

Jacqueline E. Jones

Certification
